The image shows a mobile application interface for a registration form. At the top, there is a status bar with the time 02:48, battery level, and signal strength. Below the status bar is a header with a back arrow and the title "TextField". The form consists of four text input fields:

- Full Name**: A text field with a character count of 0/50.
- Phone Number**: A text field with a character count of 0/13.
- Email**: A text field with an envelope icon and a character count of 0/50.
- Password**: A text field with three dots, a toggle icon, and a character count of 0/20.

The bottom of the screen shows the Android navigation bar with the back, home, and recent apps buttons.
